

**BLACKHAWK PRESBYTERY REPORT
NOMINATING COMMITTEE**

April 4, 2017

The Nominating Committee is tasked with presenting to the presbytery assembly nominations for offices and committees. We are committed to prayerfully seeking good fits for each position while considering a balance of representation between lay/clergy, male/female, and areas of the presbytery.

The Nominating Committee met March 22, 2017 at Stronghold. The new structure being proposed by the Crisis Team was reviewed from a nominating point of view. If the structure is approved, new positions will need to be filled, and the number of people needed to fill committee rosters will change somewhat.

Names were suggested with both representation and new structure in mind. Some will be nominated in November when we elect classes for 2020. The following names are being nominated to fill current vacancies.

Nominations:

Moderator of Business Affairs, Class of 2019

Michael Selburg, Teaching Elder

Business Affairs, Class of 2019

Doug Webb, Ruling Elder

Submitted by Martha Logeson, Moderator
