Nominations:

- John Rickard was nominated to remain as Stated Clerk
- Eric Heinekamp was nominated to remain as Presbytery Assembly Meeting Parliamentarian
- Martha Logeson was nominated to remain as Moderator of the Nominating Committee.
- Nominating Committee Members were nominated (names TBA)

Committee on Representation:

Blackhawk Presbytery has not had a Committee on Representation in some time, despite being mandated by the Book of Order. The Council believes that we need to have one. A motion passed to form a task force to make recommendations to the Council on the formation of a Committee on Representation.

General Assembly YAADS and Commissioners:

The Council believes that it is time to seek a new process for nominating Young Adult Advisory Delegates and adult Commissioners for General Assembly. A motion passed that a task force be formed to write a policy including selection criteria and application process. Anita Stuart-Steva, John Dillon, Jim McRae, and Laurie Walker volunteered to be members of this Task Force and to seek input from the Nominating Committee and Presbytery Assembly members with a goal of a report to the Council in May 2018. Motion passed to create this Task Force.

JANUARY 23, 2018 COUNCIL MEETING

The bulk of the January Council meeting was spent analyzing all the various aspects of Presbytery Assembly Meetings to make certain that we are holding them to the best of their potential.

A motion was passed that we will send on all overture requests to the Presbytery Assembly to be voted upon at the February meeting.

Respectfully Submitted,
Rev. Dr. Mike Selburg
Council Moderator
