

Personnel Committee Report
May 2017

The Personnel Committee has been reviewing the Health Reimbursement Plan presented by the Board of Pensions. The plan is necessary to comply with IRS requirements.

A version for particular churches will be provided for use with their teaching elders and any other staff that receives a medical reimbursement.

VOTE The Presbytery Health Reimbursement Plan will be presented at the June Presbytery Meeting for approval.

It is with great regret that we accepted the resignation of Richard Simpson. The committee directed that a small loan Richard maintained with Presbytery be forgiven.

This summer the Personnel Committee will be holding annual reviews of the Presbytery staff and will make recommendations to BAC as necessary for any changes to the 2018 budget. If anyone has a comment to make regarding the performance of any of the Presbytery staff, please contact the Personnel Committee.

Respectfully submitted
