

POST-PRESBYTERY SOCIAL HOUR
JARRETT PRAIRIE CENTER

Please join us for an After-Meeting tour of the newly renovated, beautiful Jarrett Prairie Center museum. Located just south of Byron, you can choose the North River Road route that also takes you through Lowden State Park, or the Highway 2 route, equally beautiful. We have arranged for a brief tour of the museum starting between 3-3:30 pm. There are several trails including a short, hard surface trail through the prairie for a brief stroll. Come watch the sun descend on the prairie from their wraparound deck!
