

Presbytery Assembly Meeting Planning Committee Report
Blackhawk Presbytery
November 14, 2017

The planning committee for future Blackhawk Presbytery Assembly Meetings has come up with tentative plans for much of 2018:

February 13, 2018: Belvidere

We are hoping to host David Gambrell (PMA/ Theology and Worship) to present a short preview, followed by a one day seminar in June, on using the Church Year and / or new Directory for Worship to enhance worship and church activities.

April 10, 2018: Geneva Fox Valley

We will have a condensed business and worship in the morning to allow for an afternoon of Boundary training.

June 11, 2018: Stronghold Camp and Retreat Center

Seminar at Stronghold, hopefully a continuation of February's learning opportunity.

June 12, 2018: Stronghold Camp and Retreat Center

Camp themed Presbytery Assembly Meeting

September 11, 2018: Morrison, IL

TBD

November 13, 2018: Joliet Westminster

TBD

The Planning Committee will be looking to the visioning and advice of the Presbyter Council to help direct the learning opportunities for future Presbytery Assembly Meetings, likely to begin in September. The hope is the ideas will come from the Council and the Planning Committee will put those ideas into action.

Respectfully Submitted,
