

OUR VISION AND VALUES

Grounded in the biblical image for human community, as disciples of our Lord Jesus Christ, we challenge and support congregations to be thriving faith communities by facilitating competent leadership and resourcing to energize ministry and mission.

As Christians, guided by the principles of trust, open communication, and genuine relationships, we value each other as sisters and brothers in faith in all our varied theological understandings. Therefore, we relish respectful discussions of differing opinions as a necessary part of discerning the will of God.

Earlier this year, Blackhawk Presbytery charged its new Presbytery Council with evaluating and revising “Our Vision and Values”. After multiple meetings and numerous hours, the Council presents these revised statements for your review and consideration in advance of our gathering at Stronghold next week.

The Council plans to present their hope and rationale behind this revision during our Learning Opportunity time of our presbytery gathering on Tuesday, November 14th. A period for Q & A will be provided before discussing and possibly adopting these new guiding statements for our work and life together as Blackhawk Presbytery, worshipping and serving in the name of Christ.
